### **Cabo Riviera Donates High Technology Medical Equipment**

The inauguration of the new state of the art Health Clinic in La Ribera was carried out on February 22 with the presence of Governor Ing. Narciso Agúndez Montaña, Mayor of Los Cabos Lic. Oscar René Núñez Cosío, Dr. Francisco Cardoza Macías from the Department of Health as well as various state and local government personalities.

Cabo Riviera, in association Cabo Cortes and the Health Department of B.C.S, were able to design and equip a clinic that will be the model for health care delivery in all of Baja California. When Cabo Riviera selected La Ribera for it's unique water front community it made a commitment to improve the quality of life for all in La Ribera and the area. It has been an honor for Cabo Riviera to play a role in donating equipment for this well designed clinic. The equipment has internationally recognized trademarks and is of the very latest technology. Our philosophy is to be the best citizen we can be. We are happy for the people of La Ribera to have this new Hospital and look forward to working with the capable staff provided by BCS going forward. Let this be the first step of many to make La Ribera and the entire East Cape the model place for the best quality of life in Baja. Cabo Riviera applauds the leadership of Governor Agúndez Montaña, Mayor of Los Cabos Lic. Núñez Cosío, Dr. Cardoza Macías from the Department of Health and Municipal Delegate Julio César Montaña, in helping La Ribera to become the leader in health care delivery on the East Cape.

El pasado 22 de febrero, con la presencia del Gobernador Ing. Narciso Agúndez Montaña, el Presidente Municipal Lic. Oscar René Núñez Cosío, la Presidenta del sistema estatal DIF Sonia Gómez de Agúndez así como diversas personalidades del Gobierno del Estado se llevó a cabo la inauguración de la ***Clínica de Salud de Servicios Ampliados*** en la delegación de la Ribera.

**Cabo Riviera**, empresa socialmente responsable, donó el equipamiento de esta clínica con la más alta tecnología y las mejores marcas reconocidas internacionalmente, en su afán por colaborar con la población de la Ribera, así como con toda la comunidad de Cabo del Este, siendo este un ejemplo más de su preocupación por el bienestar social.
